Meet Me at "The Fair" Next Tuesday

MASONS BARBECUE THURSDAY THE BIGGEST YET.

Crowds and Crowds of People Thronged Into Cloverport to Meet at "The Prettiest Natural Park in the State."

EXCELED EVERY ANTICIPATION.

The Mason's barbecue Thursday—there has never before been one just like it—because the crowd was never so large, the day never so fine, the dinner never so good, the amusements never so many. To think of the crowd of moving humanity that came into Cloverport in parties of two, tens, dozens and half dozens, makes the head swim. The L. H. & St. L. brought in 7000 got here a puzzle, but they were "sure" here for the comparative estimate of the attendance was 8000 people. A great crowd of people that came into Cloverport was amazing. The Owensboro Enquirer has the following to say:

Crowds, crowds, crowds, were all that could be seen Thursday at Cloverport, on the grounds where the Masons of Cloverport held their ninth annual barbecue. It is estimated that there were 8000 people on the grounds, and that an exceptionally good time was had by all. The crowd ate the meats and all other refreshments and eatables to be had. One hundred and twenty-five gallons of cream were shipped from Owensboro to the grounds, and so great was the rush on this that another supply was ordered about 10 o'clock in the morning.

A special train of six coaches was run to the grounds by the L. H. & St. L., over the Fordville branch, and trains passing here carried one and two extra coaches for the accommodation of those who went from here and other points along the "Texas."

GETS \$8000.

Dallas Springgate, through his attorney, Claude Mercer, recovered \$8000 for personal injury in an accident on the Big Four Railroad at Ferdinand, Ind., on April 22, 1910. In this same accident Harmon Driskill, of this county, was killed and recovered \$4150. Mr. Springgate's injuries are very severe, but it is hoped an operation on the head will relieve brain pressure and that eventually Mr. Springgate will be about well again.

Meet her at the Fair!

House Party At Carter's.

Miss Margaret Carter has been hosting a house and hotel here at her home on the pike. Her guests were entertained by Mr. and Mrs. Frank Carter during their stay. They were: Misses Willa Hilf and Nell Liver, of Paris, Texas; Miss Mary Nevitt, of Basin Springs; Miss Myrtle Lydian, Webster; Miss Rhena Roberts, of Irvington; Mr. Wm. B. Schmitz, of Louisville, and Mr. Conley Carter, of Huntington.

Do the right thing if you have nasal catarrh. Get Ely's Cream Balm at once. Don't touch the catarrh powders and snuffs, they contain cocaine. Ely's Cream Balm releases the secretions that inflame the nasal passage and the throat, whereas medicines made with mercury merely dry up the secretions and leave you no better than when you were. In a word, Ely's Cream Balm is a real remedy, not a delusion. All druggists, 50 cents, or mailed by Ely Brothers, 56 Warren Street, New York.

Everybody Should

Dear Mr. Babbage: Enclosed find 25 cents for the News. I cannot do without it. Every home should have the News as one can hear from so many through it. I would be lost without it. I think everyone should take the News for I know they would enjoy it.

Yours Truly,

FEARLESS CHAMPION OF DIGNITY NOW HEADS MICHIGAN UNIVERSITY

Dean Harry Burns Hutchins of Law School Succeeds Dr. Angell as President at Ann Arbor After Proving Executive Capacity.

AFTER deliberating for a whole year and considering the qualifications of many university presidents and of several men in public life the regents of the University of Michigan decided that the present Dr. James B. Angell as president of the university shall be Dean Harry Burns Hutchins head of the law department.

No graduate of the University of Michigan ever can confuse Professor Hutchins with any one else, for it was Dr. Angell who was responsible for that famous slogan which, as interpreted by the students, runs "Remember the dignity of the department."

The slogan was a great joke for a number of years, but the students' department of law were not noted formerly for having the character of doves. For a time indeed the dean had to be the dignity of the department all alone.

Dean Hutchins clung to that slogan. He was called to Michigan from Cornell in 1885. For five bitter years he

for commencement week imagined they saw more dignity than ever in their professor. His hair, if possible, was straighter than ever, white hair and sixty-two years of energetic living, and he had reason to be proud, they said. He had done the impossible. He had tamed the law students. He was a genius in administration, they declared.

In 1890 he moved to Lisbon, N.H. He received his preparation for college at the New Hampshire Conference seminary, at Tilton, and at the Vermont Conference seminary, at Newbury. At nineteen he entered Wesleyan university, Middletown, but on account of bad health could not remain there long. In 1893 he took up the study of anatomy, physiology and surgery at the University of Vermont, and then at Dartmouth. His family moved to Michigan, so in the fall of 1897 he entered the State university at Ann Arbor.

He graduated in 1871 with a degree of bachelor of philosophy and

"I Am Glad"

writes Mrs. Ethel Newlin, of Liberty Center, Ind., "that I began to take Cardui, for it has cured me, and I will never forget it. I cannot praise Cardui too highly for what it did for me. Before I began to take it, I was very bad color, suffered great pain and weighed only 105 pounds. Now I have a good color, do not suffer and weigh 125 lbs."

Take CARDUI

The Woman's Tonic

Beware of strong, noxious, mineral drugs, that sink into your system, like lead to the bottom of a basin of water.

Cardui is purely vegetable and contains no poisonous minerals, or dangerous drugs.

It is perfectly safe and harmless, for use by old and young, and may be taken, as a tonic, for months, without any possible harmful effect. Try it.

MURDER MOTIVE STILL MYSTERY

Cleveland Police Working On Footpad Theory.

SLAYING OF A MILLIONAIRE

When Attorney W. L. Rice Was Shot Down at Approach to His Home the Murderer Left No Clue, and Police Are Baffled by the Case—Theory That Millionaire Was Slain by Business Enemies Exploded.

The murder of W. L. Rice, millionaire attorney and clubman, at Cleveland, Ohio, is still a mystery. After working two days and running down many leads, the enterprising police force are baffled. They have no clue. The theory that Rice was murdered by business enemies has exploded.

The widow of the murdered man and her four daughters have arrived from their home in Massachusetts. Accompanying Mrs. Rice and her children was William Nelson Cromwell, the New York attorney and the eastern associate of Rice.

The theory of murder by footpads is only the one left. But there was no robbery. The body was found in the room left untouched in Rice's inner pocket. His trouser pocket was filled with silver and he wore a watch and jeweler.

Bullet Penetrated Brain.

The autopsy showed that only one of the two bullets fired at him penetrated the brain. The second glanced off. It was discovered that Rice was struck on the head with something, possibly a pistol or shotgun, and probably knocked down. The coroner expressed a belief that the shots were fired after he was felled by the blow.

Rice put up a desperate fight for his life. Two clean cuts in the arm of his coat indicated resistance to the attack. A deep cut in the left hand reaching to the bone indicates that he warded off one slash. Probably while he was doing this he was knocked down.

The most damning evidence, however, was the bullet which was selected as being fired in a half-mile stretch of open highway directly under a light, where any person desiring to reach the populated section of the heights along Overlook road had but to walk. Back of the house was a cluster of trees and shrubs where concealment was afforded. On either side for a quarter of a mile east or west, any approaching auto could easily be seen.

Bob Cashman and Miss Eula Adkisson, of Rhodelia, were the guests of Miss Ida Ater last Sunday.

Miss Belcher, of Hawesville, returned home last Sunday after a week's visit to her brother, Mr. Belcher of Foyrite.

Jeff Connor, of California, is at home the guest of his brother, Ed Connor.

Mrs. Carl Dutcheske, of Louisville, returned home last Sunday after a week's visit to her parents, Mr. and Mrs. A. Dutcheske. She was accompanied by her sister, Miss Ada Nottingham.

J. Dutcheske, of Holt was visiting his brother, A. Dutcheske last Sunday.

Harrison Ashcraft, of Rhodelia, was the guest of Miss Ida Ater last Sunday.

was chosen as commencement speaker, which was the highest honor then conferred by the faculty. The following year he was chosen to represent the public school system of Owosso, Mich. He was called to Ann Arbor in 1872 to become an instructor in rhetoric and history. In one year he was advanced to the rank of assistant professor.

He spent three years more in Ann Arbor before he went to Detroit to practice law for eight years in partnership with his father-in-law, Thomas M. Crocker.

In 1884 he was recalled to the university as professor of law. Three years later he went to Cornell, returning to Michigan after eight years to become dean of the department of law.

In the absence of President Angell he was elected to the presidency of the university, and he again was made acting president last fall when President Angell resigned after a term of service of thirty-seven years.

An Inspiration For Other Schools

At the county Sunday school Convention held in Irvington, July 29-30. The committee on resolutions resolved to send our county President, Mr. T. H. Henderson, as a delegate to the International Sunday School Convention to be held in San Francisco May 1911.

This resolution was voted unanimously by the convention and the committee of four are now at work, raising the money to defray the expenses of Mr. Henderson.

Webster, realizing the honor that had been bestowed upon him, presented President and Sunday School Superintendent, thinking the Convention and Sunday School workers could not find a better or more zealous man to represent Breckinridge county and Kentucky at this great convention, and showed this love and hearty appreciation by one of the most liberal free will offerings, that will be made by any school in the county. After the members of the Committee in this district, Mr. Claycomb stated the purpose of

THE BRECKENRIDGE NEWS,

JNO. D. BABBAGE SONS' PUBLISHING CO.

Issued Every Wednesday.

EIGHT PAGES.

CLOVERPORT, KY., WEDNESDAY, AUGUST 24, 1910

President Taft is said to be hard at work on a campaign letter. It might be mistaken for an overture of peace with Col. Teddy.

Prof. Joel H. Pile has returned to his home in Hardinsburg after attending the summer session of Columbia University in New York.

The recent forward movement by the citizens of Louisville to spend a half million dollars for the benefit of the public schools of Jefferson county, is an enterprise that the people of the whole State will endorse.

The past week has been the busiest in Cloverport for some time. The Masons barbecue brought many home-comers and visitors who have lingered over time with their relatives and friends. This has kept the frying pans going and the merchants rushed with orders. We like company and always glad to have the visitors in our home and town. As the News barbecue souvenir said, "Come back," for we want to see you all again.

There is evidently a break between President Taft and Mr. Roosevelt. From present indications the grand old party is evidently in bad shape in New York. Mr. Roosevelt was turned down by one faction when he wanted to be the chairman of the State Republican Convention for the State of New York. They do not think Teddy is the whole show by any means, and if there is not an adjustment of differences the party will be in a bad way to carry New York this fall.

There is to be a public sale of twenty or thirty town lots here next Saturday, and from indications they will bring good prices. The lots are located in a very desirable section for building and residential purposes, and they ought to go off like hot cakes. The town needs this new addition, and the man who comes in on the ground floor in this purchase will make money. Cloverport's growth is steady and sure, and these lots will prove a desirable investment in the very near future.

Tuesday is the opening of the fourth exhibition of the Breckenridge Fair Association at Hardinsburg, and will continue until Thursday day when the sun sets. After three years of experience the management of this association is able to give its patrons a better live stock and agricultural exposition than has ever been held in Western Kentucky. The entire fair promises to be of the highest class, and will be of great benefit to the people of Breckenridge and the surrounding counties.

Mr. V. G. Babbage, of this city, has recently been appointed the local attorney of this county for the Inter-Southern Life Insurance Company of Kentucky. Recently the Inter-Southern took over all the business of the Business Men's Life Insurance Company, and it is regarded now as one of the strongest insurance companies in the State doing business in the South. The Inter-Southern has already a large amount of insurance in force in this county, and Mr. Babbage has been directed to look after the legal side of the business here.

We are asking all our friends and readers to send us any news item of real value and interest, but we are compelled to request that each write-up be as brief as possible. We have had several complaints about our "cutting" articles that were sent us for publication. This is absolutely necessary; we cannot publish articles as they are sent to us, for a rule, they are written in twice as many words as are necessary to express what must be said. To get in all the news we have to make every article as short as possible, and we sincerely trust there will be no bad feelings toward the News from our friends for changing the material they send us for use in the paper. Let us have your news notes, but let them be brief.

The merchants of Hardinsburg will close their stores at eleven o'clock each morning through the Fair. Shoppers and visiting buyers will take notice and govern themselves accordingly.

Stock began arriving Saturday for the Fair. Several stables already filled with training upon the track give a bright appearance to the fair grounds which are likely the prettiest and shadiest in all Kentucky.

DOUBT DISAPPEARS

No One In Cloverport Who Has A Bad Back Can Ignore This Double Proof.

Does your back ever ache? Have you suspected your kidneys? Bachache is kidney acha. With it comes dizzy spells, Sleepless nights, tired, dull days. Distressing urinary disorders. Cure the kidneys to cure it all.

Doan's Kidney Pills bring quick relief.

Bring thorough, last cures.

That's what's cloverport sufferers want.

Profit then by another's testimony.

Twice told and well believed.

G. W. Waddell, M. D., Main & Cross Streets, Maysville, Ky., says: "I publicly recommended Doan's Kidney Pills some years ago, knowing of many cases where they had been used with the best possible results and my confidence in them during the past four years has not been shaken in the least.

It may seem rather out of the ordinary for a practicing physician to recommend a proprietary medicine and I must say that there are only a few remedies that are worthy of praise. I have prescribed Doan's Kidney Pills very often and I know of many permanent cures that have resulted from their use. I do not believe in giving persons who suffer from kidney complaint instant relief in any of its various forms to give Doan's Kidney Pills a trial."

Bishop Kilgo To Preside

REV. HAYES WILL BE CHANGED

Russellville, Ky., Aug. 20.—The Louisville conference of the Methodist Episcopal church, south, will be held in this city September 28. Bishop John C. Kilgo, D. D., of Durham, N. C., will preside. The Rev. Mr. Prather, pastor of the church there, now arranging for the entertainment of the many ministers, delegates, who will be here. There will be more than three hundred in attendance at the session.

Bishop Kilgo is one of the new bishops of the Methodist church, having been elected and ordained last May at Asheville, N. C. For years he was president of the college in his native city, and comes to the work of a bishop direct from college work. The Louisville conference will be the second over which he has presided, having when come here, presided over the Kentucky conference which meets at Harrodsburg the week before the Louisville conference.

The conference will be in session for a week, during which time much business will be transacted. The bishop and the presiding elders will have to reappoint every man in the conference as the appointments in the church are made for one year at a time. Many will have to move, owing to the time limit of four years. There are more pastors in the Louisville district who have served the time limit than in any other district and consequently will be

moved to some other pastorate either in the city or out of it.

The conference is composed of seven districts and are presided over by seven presiding elders. The Rev. R. M. Messick is presiding elder of the Louisville district, and will be changed this fall on account of the time limit, he having served for four years in that capacity. The Rev. S. J. Thompson has served for four years on the Henderson district and will be appointed to another charge. The Rev. J. W. Lewis has served four years on the Hopkinsville district and the Rev. R. F. Hayes has served four years on the Owensboro district, while the Rev. R. W. Browder has served seven years on the Russellville district and is now serving his fourth year on the Bowling Green district.

Dr. Browder was presiding on the old Russellville district for two years, and when Bishop Hendrix reduced the number of districts four years ago he was appointed to the Bowling Green district in which Russellville was included. The Rev. A. P. Lyon has served for three years on the Elizabethtown district and the Rev. T. L. Hulse has served two years on the Columbia district. It is believed by those who are in position to know that many changes will be made this fall in the appointments which will entail a great hardship on many of the ministers and their families as the moves are long and expensive.

Mrs. Sawyer Surprised.

Mrs. Francis Sawyer left Sunday morning for Columbus, Ohio, with Mr. and Mrs. S. D. Loyd and their son, Fay, to visit them at their home at Beverly. Mrs. Sawyer's trip came as a surprise to her as she never thought of going until Sunday morning when her daughter, Mrs. Loyd, told her that her husband had made arrangements for the trip. Mrs. Sawyer was seventy-nine years of age in June and she has never gotten too old to enjoy the good times her children are continually planning for her.

W. P. Beard Loses By Hail Storm

Last Friday this part of the state was visited by a heavy rain, which was of great benefit to the flax, corn and potatoes. Unfortunately for some however, there was considerable hail with it and in some places a great deal of damage was done. Around Besse post office, northwest of Bowman, the farmers were hit the hardest. Anton Stetter, J. L. Burke and W. P. Beard were the heaviest losers. Mr. Burke's loss being estimated at eighty per cent. E. E. Hogoboom's crop was also damaged. Near Amor, Mr. Malitz and some of his neighbors suffered loss by hail. Around Stillwater there was also quite a hail storm.

It is something unusual to have a hail storm at this time of year.—Bowman, N. D. Journal.

Wants to Hear From "Joe Mul."

Dear Mr. Babage: I send two dollars for my subscription and that of my father, Stuard Weatherholt, Moweaqua, Ill., R. F. D. No. 1.

I have been a subscriber to this paper ever since I left my old home state and it always seems like a letter from home. What has become of the people around Persimmon Flat and Hites Run? I would like to hear from these places through the News. What has become of "Joe Mul"? Did he go away with the storm?

Wheat and oats were good around this part of the country and there is a good prospect for corn. I remain, yours truly, Wm. Weatherholt, P. O. Box 39, Moweaqua, Ill.

Will be Ready For School Butter in a Few Days--New Rooms Are Beauties

Contractor Henry Yeager, who has been building two new rooms to the building of the Cloverport High School says that they will be completed by September the tenth. The rooms are 36x18, built on the South side of the building.

This new addition was much needed for the comfort of the teachers and pupils. The building now has six large rooms and the attendance this year will, no doubt, be very large and the children will be well looked after.
